Club Etiquette / Rules / Disclaimer

Safety: Cycling on the public highway, bridleways or off roads tracks have some inherent dangers attached, so as a club we want to support and encourage people to ride safely.

Therefore, safety is the single most important consideration for the club and you can not ride you bike from a hospital bed, so we ask you to take this very seriously.

It is important that your bike is in as safe and roadworthy condition with, for example, working brakes. If you are unsure, many local bike shops such as Louth Cycle Centre will service your bike on request.

We see it as best practice to wear a helmet as all times. This is for your own safety.

It is law to have a working front and rear light after dusk.

Should there be an incident / accident, please offer any help you can, whether this be making an emergency phone call, warning other road users or assisting with injuries.

Walesby Moor Wood MTB Trail: I can confirm that I will not ride the trail at Walesby Moor Wood before being walked the course. I understand that there are dangers involved in riding through woodland and that I ride the trail at my own risk, within my riding ability and take full responsibility for my own safety and the safety of others around me.

Respect: We ask everyone, either when riding or other club activities, to have respect for their fellow riders and other road / bridleway users.

Please follow the highway code at all times. Please ride no more than two-abreast and only when it is safe to do so.

Disclaimer: Rasen Riders community Amateur Sports Club can not and will in no way be held responsible for any personal injury, howsoever caused, through any club activities.

Personal Responsibility: We see it reasonable for each rider to be self-sufficient in regards to basic bike failure and self preservation such as puncture repair kits and drink.

Medication: Please bring it if you need it.

Invite a friend: None members may ride out with Rasen Riders for a maximum of three taster riders before joining as a full member (in order to comply with the conditions of our liability insurance).
